

## **Lesson: Fun Places to Go**

Baseball game	Cedar Point	Nature center	Art gallery	Historical museum
Movies	Bike ride	Scuba diving	Golf	Antique stores
Zoo	Park	Disney World	Out to Eat	Visit another country
Beach	Concert	Public Library	White water rafting	Hike through woods

### **After Completing ASLdeafined - Reinforcement Class Activities**

1. Have students write out 10 of their favorite places to go on a piece of paper. Find a partner to work with. One person will fingerspell their list, and the partner will give it back in ASL.
2. Have students write out 3 sentences using words from lesson Fun Places to Go. Collect the papers. Then, randomly sign the sentences on the papers to the class. See if they can figure out what is being signed even though they may not know each sign.

### **Homework:**

- Have students record in a video their favorite place to go, or somewhere they would like to go, from the lesson Fun Places to Go. Encourage students that time is not important, the quality of the signing and their best effort is what's important.
